Wednesday, April 15th, 2009

ROYAL Malay Regiment Warriors took over top spot in the Selangor Diamond 1 League after winning their match against bottom of the table KPD Tigers at the Batu Cantonment camp last Saturday.

Despite poor handling throughout the game, Warriors were well and thoroughly a class above the Tigers, being more organised in defence and attack. KPD Tigers have experienced quite a battering this season due to loss of players as a result of repostings and reassignments to different military units.

RMR Warriors cruised to the end of their league match with an easy 41-0 win. The match between RSC Dog and COBRA Stings was postponed due to the unavailability of qualified match officials.

RSC Dog still have an opportunity to take the league, having two games in hand.

Meanwhile, in the KRS Diamond 2 encounter, VI Rangers, who have been growing in confidence all season, increased their scalp collection with two wins in three days.

Playing a rescheduled match on Thursday in Batu Cantonment, the Rangers whitewashed Military Officers Rugby (MOR) 66-0, before heading down to Serdang on Sunday to meet Ex-Angels at the UPM grounds. Ex-Angels, despite their experience, had their wings clipped by the fitter military boys, going down 21-0 at home.

VI Rangers are still in the running to take the Selangor Diamond 2 league but will have stiff competition from UiTM Lions and RSC Bulldogs.

At Padang Utara on Sunday, a severely disappointed RSC Bulldogs came away with a win against MAS Cougars 28-0 without raising sweat, as they were awarded a walkover.

Cougars failed to field a team with minimum number of players due to the torrential rains that held back staff and players in KLIA because of the emergency airport closure.
