UITM SIBIU Sarawak undergraduates display their inspiring, creative and well-coordinated effort in the university student art exhibition ‘Ranting’.

The exhibition is a collection of 50 artworks by 13 undergraduate students, which are on display at the SMK Jepara gallery in Kuching until March 23. As part of the ‘Ranting’ exhibition, the works of some of the undergraduates were also exhibited at the Press House in Kuching.

The artists showcase their talent in a variety of mediums, including painting, sculpture, photography and digital art. Their works range from abstract and surreal to more realistic and figurative styles.

The students were mentored by senior lecturers from the Faculty of Fine Arts. They were encouraged to express their ideas and emotions through their artworks, and to convey messages or themes that resonate with the audience.

The ‘Ranting’ exhibition aims to provide a platform for the students to showcase their talents and to gain recognition. It also serves as an opportunity for the students to learn from each other and to develop their skills.

The students’ artworks are displayed in a gallery setting, with each artwork highlighted and presented in a way that makes it easy for the audience to appreciate the details and the overall concept. The artworks are arranged in a coherent manner, with themes and styles that complement each other.

The ‘Ranting’ exhibition is not just an event, but a journey of self-discovery and exploration. The students are encouraged to express themselves freely and to push the boundaries of their art. It is an opportunity for them to develop their confidence and to gain experience in the field of art.
