KOTA KINABALU: The Universiti Malaysia Sabah (UMS) women’s futsal team are showing more progress and are fit to compete at the Malaysian Universities Sports Council championship (Masum) which will be held at Unimas from April 8-15. Two people responsible for coaching these women on their road to success are Rosmadi Wasi and assistant Azhar Alamat.

The team’s first involvement was in year 2010 but they only made it as far as the second round. When asked about their objective for this year’s championship, Rosmadi foresees the possibility of his team going all the way to the finals this time. Intensive training have been conducted since March 1 at the Borneo Sport Arena (BSA) Futsal in Kolombong.

However, according to Azhar, they are not focusing too much on this year’s Masum and are more focused on the Futsal league among higher learning institutions in Sabah which will be held in May this year.
