Tun Dr Mahathir to chair roundtable on 'drivers of new economic landscape'

KUALA LUMPUR: The National Chamber of Commerce and Industry of Malaysia (NCCIM), in collaboration with Universiti Sains Malaysia (USM), will be organising an exclusive high level strategy session on April 16 at Berjaya Times Square Hotel here.

In a statement yesterday, NCCIM said the strategy session would be led and chaired by Tun Dr Mahathir Mohamad, to embark on a closer look at the ‘Drivers of the New Economic Landscape at the Home and Global Front’.

The proceedings of the strategy session would be communicated to the government and thereafter with further consultations.

“The strategy session is exclusive and high level, on a round table format, and is limited to the attendance of 80 representatives from the Malaysia private sector with panelists to add impetus to the discussion therein,” it said.
