LABUAN: Thirteen officers and staff of Labuan Sport and Youth Department (SYD) made a study visit to Universiti Malaysia Sabah, Labuan International Campus (UMS-KAL) on April 11.

The visit led by the department director, Mohd Faizul Helmi Mohd Sab who said that they wanted to find out how UMS-KAL apply the Japanese concept of SS practice in the working environment. UMS-KAL was awarded the SS certificate on October 28 last year by the Malaysia Productivity Corporation.

The deputy registrar for Labuan International Finance and Business School, Mas Adi Alim bin Iskandar, briefed the SYD officers and staff about the development of SS at the campus.

The visitors later toured the several departments of the campus.

Meanwhile, UMS-KAL deputy registrar Zamri Mohd Tuah who represented the campus director, Associate Professor Dr. Shariff Abdul Kadir, briefed the development of the campus.

Zamri disclosed that UMS-KAL had produced 3,600 graduates since it started operation in 1999 and now it has 2,100 students with 176 from China, Middle East, Turkey and Tanzania.

Mohd Faizul hoped that the study visit would help them to implement and prioritise the SS among his officers and staff for the department management.
