# Irfan: Felda do not have room for complacency

**PETALING JAYA** — Felda United coach Irfan Bakti Abu Salim insist there is no room to drop points if they are to earn promotion to the Super League by finishing second in the Premier League.

He wants the Settlers to pick up maximum points in their game in hand against Kedah today.

He reckons only a win would do if they were to keep up with league leaders Police, who also have a match today, against UiTM at the UiTM Stadium.

Police and Penang, are level on points at the top with 26 points, seven ahead of Felda United.

Felda are on a three-match winning streak after putting the breaks on Police and Penang's magnificent winning run last month.

"Preparation for the match have gone well, just like in previous games.

"Everyone is available for selection except Shahrulnizam Mustapa," said Irfan.

"We have to win this game to stay in touch with the leaders. There's no point in having a game in hand if we don't win it. This match could possibly tell if we would be in the running for the Premier League title, promotion

or neither."

"The last three matches have given the players confidence. It's great the players found their scoring boots," he added.

The KL-based club have scored a remarkable 15 goals in their last five matches. They have also boosted their attacking options with the signing of Zambian forward Ndumba Makache a fortnight ago.

Irfan believes anything could happen in the second half of the season and he wants Felda to be ready to pounce if Police and Penang slip up.
