UiTM told to probe student's allegation

KUALA LUMPUR — The Universiti Teknologi Mara Alumni Association (PAUiTM) yesterday urged UiTM to investigate an allegation that a lecturer had fondled a female student in his office at the Arau campus. PAUiTM president Datuk Zaini Hassan said the association was deeply concerned by the allegation and wanted the university's management to conduct a thorough investigation. The 20-year-old student is said to have lodged a police report last week claiming that the incident took place when she was with two other female students in the office of the 40-year-old lecturer for a revision of lessons.
