## SSTMI clip Angels to book final against Conlay

**TUNKU** Mahkota Ismail Sports School (SSTMI) had no difficulty overcoming a fatigued Serdang Angels 29-3 in the Super League semi-finals yesterday.

SSTMI proved too strong for Angels with a hat-trick of tries from Saizul Hafifi Mohd Noor and one from Fijian Malakai Nalawa sealing a one-sided win for the Johor side at Universiti Putra Malaysia in Serdang.

Angels, who had on Saturday notched a 14-3 win over Universiti Teknologi Malaysia in the Malaysian Universities Sports Council Championships (MASUM) final, managed a solitary penalty scored by Mohd Faiz Abdul Rashid.

SSTMI will play defending champions Keris Conlay in the final. Conlay had beaten Cobra 16-14 in their semi-final at Universiti Kebangsaan Malaysia (UKM) in Bangi on Saturday.

SSTMI head coach Wan Ibrahim Wan Chik said he was delighted to guide his team to a third major final

in as many years. The decider will be held on Sunday at UKM.

SSTMI reached the Super League final in 2012 and the Super Cup decider last year.

"The players were really motivated in the first half and were hungry for the win. There were many SSTMI old boys in the Angels squad and our players really wanted to prove themselves today against their seniors," said Wan Ibrahim.

"They (Angels) could have been a bit tired from playing in the MASUM competition but overall I am happy with how my boys played."

"This is the final we wanted (against Conlay). We beat them once in the group stage but this is a different ball game all together.

Hopefully this is the year we finally lift the Super League trophy."

Meanwhile, the plate semi-finals saw Asas RFC beat UiTM Lions 24-23 while JLJ Armed Forces conquered Negri Sembilan Wanderers 36-16. **By Fadhli Ishak**
