Twenty-four students and a lecturer, Mohd Rafiz Bin Salji, from the Faculty of Information Management, UiTM Samarahan Campus, Sarawak visited the Sabah State Archive in Kota Kinabalu recently. The event was part of the activities organized for the students taking the Foundation of Archives course at the university.

They were briefed on the roles and functions of the department, besides visiting the conservation and research division, where the visitors had the opportunity to look at old records and historical documents preserved at the Archive. They also had the opportunity to learn how historical documents are restored for future keepings.
