Welcome to EndNote X7

EndNote is by far the best bibliography creation tool there is, but it does so much more than that!

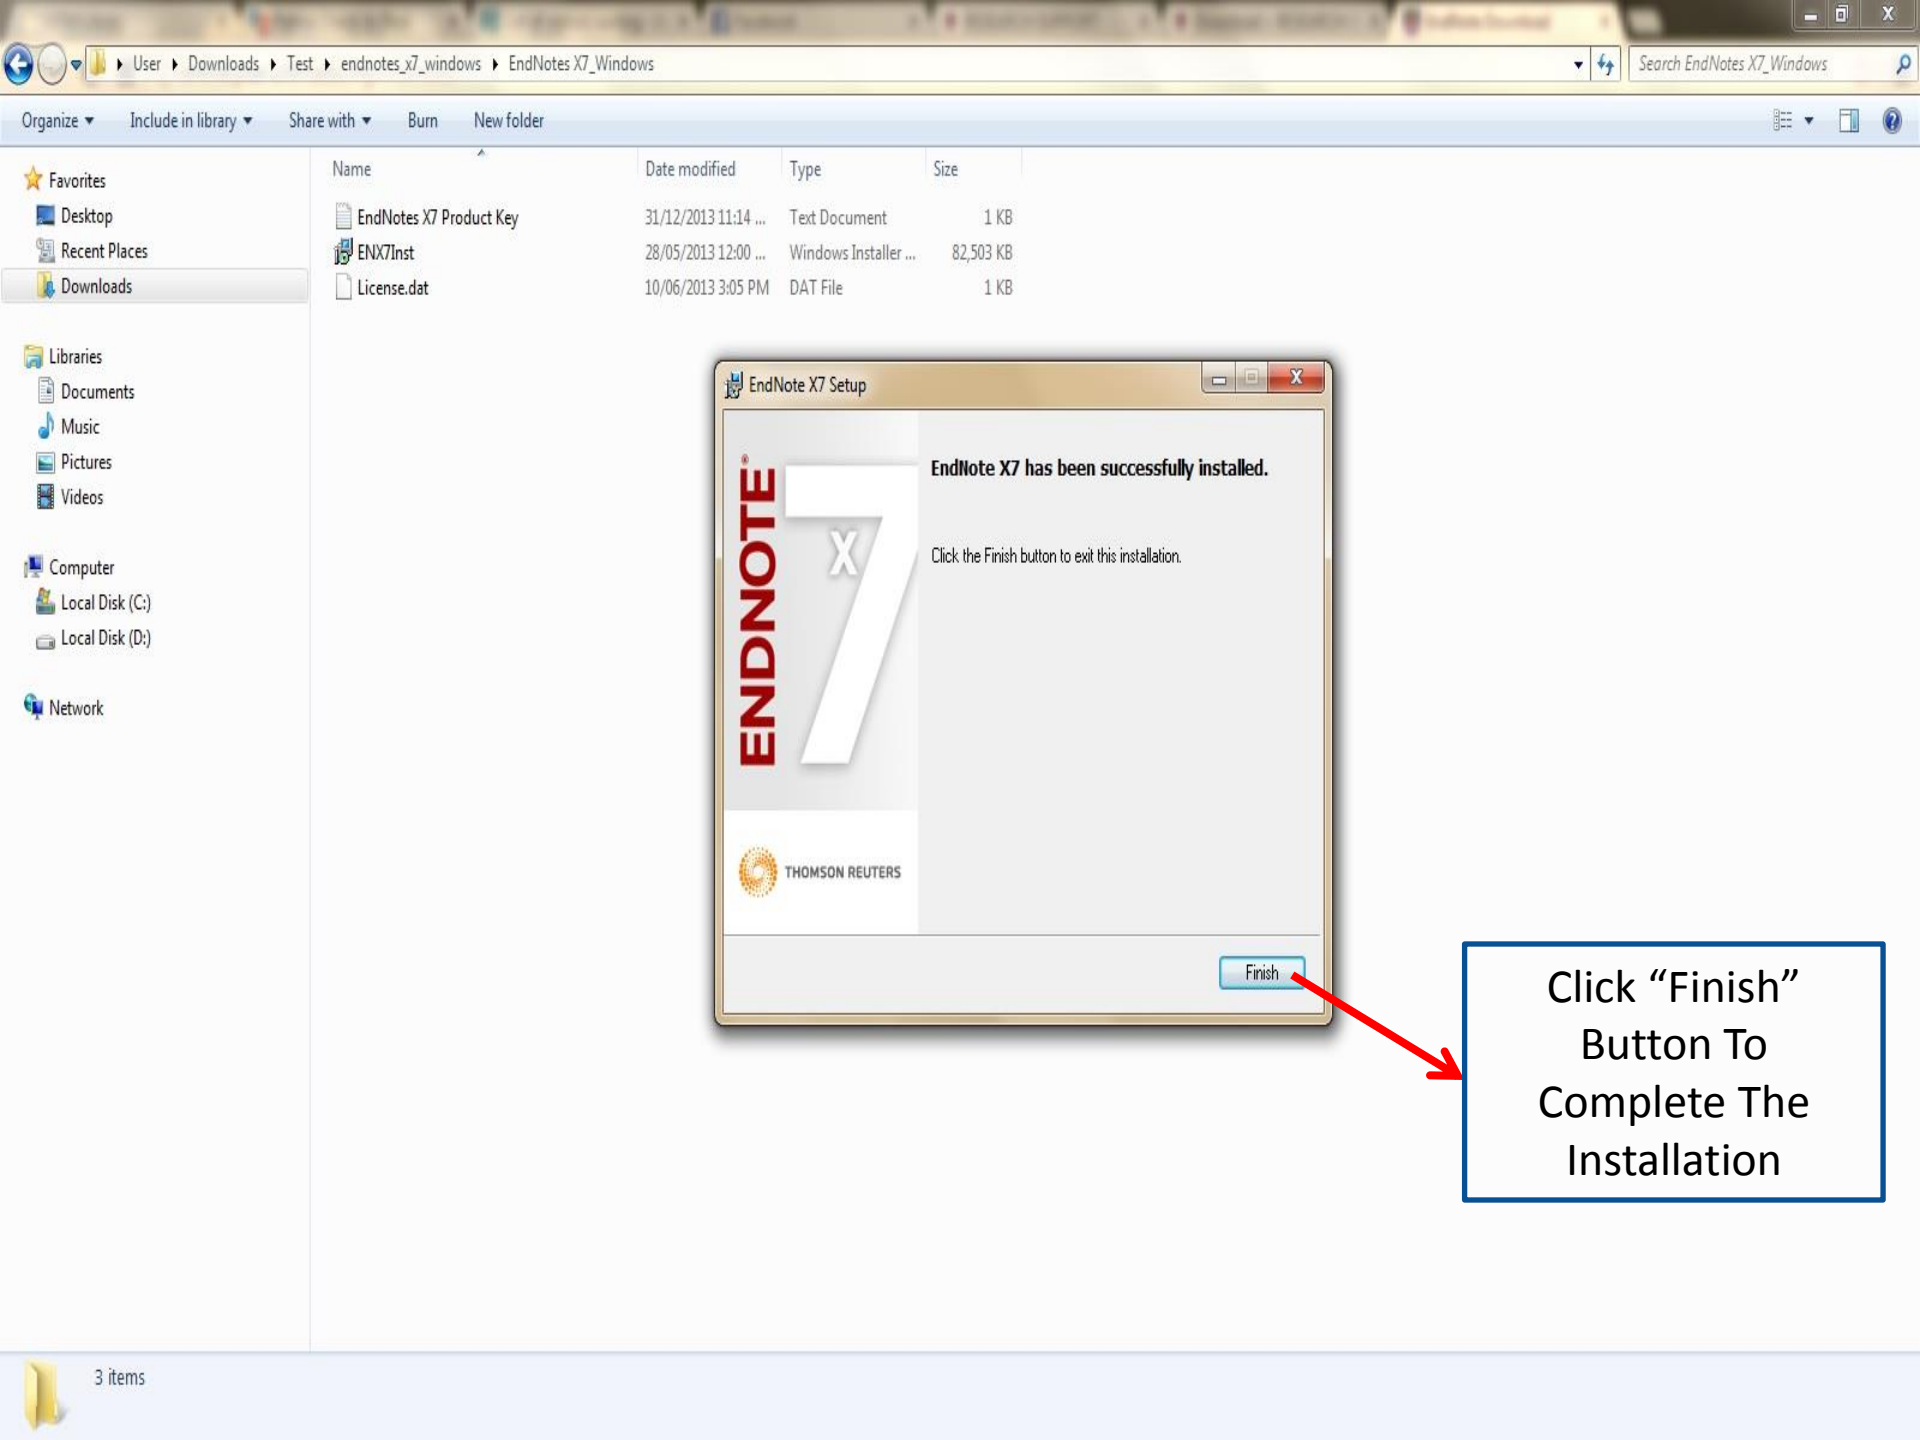

- * Search hundreds of online resources.
- * Find full text with one click.
- * Automatically update references and fill in missing data.
- * Create Smart Groups that organize for you.
- * Share references and groups and collaborate on papers.
- * Sync your library for easy access from any computer.
- * Read, annotate and search PDFs.

Thank you for choosing EndNote and enjoy!
